

Guidelines for the Use of the Jay and Paula Price Memorial Fund

When I, Jerry Bucheit spoke with Mr. Jay Price regarding his wishes for the Paula Price Memorial Fund (now the Jay and Paula Price Memorial Fund), Jay indicated that the district's use of the donation was to be for new infrastructure and necessary repairs of the existing system in order to maintain the integrity of the district's water delivery system. As I understood Jay's meaning, any materials needed for water delivery or machinery repair or parts related to new infrastructure or replacement of existing infrastructure to assist in maintaining the district's water delivery system would come from this donation.
