### **Equipment maintenance during this period included:**

Dump truck - 0  
Backhoe - Talked Jerry two stand on his head and try to adjust the brakes under the floorboards of the backhoe.  
Found left brake needed to be tightened.  
The right brake was to tight, so he backed the adjustment off.  
Test drove it and the brakes worked fine.  
Dozer - Not starting, bad batteries.  
Ford Ranger - ?

Have been starting the backhoe and dump truck periodically.

I didn't have my log book with me at this time, if I missed anything it will be recorded on next report.
