I won't be able to attend the meeting but wanted to send my thanks to the Water board for fixing Staffords Crossing, and all the roads so quickly. I was out last week and Staffords Crossing seems even better than before the wash out. Purchasing the Trak-Steer was such a wise decision. I hate to think how our nearly annual wash out would have been repaired without it. If we are taking name suggestions for the Trak-Steer How about Felix? After one of the greatest Track and Field athletes Allison Felix. And Felix the Cat, I keep thinking it is a BobCat.  
Thanks again.
