

**Water Manager Report**  
January 9, 2021

Nov. 17 - 2020

Dean Kuns

Switched to round tank.

Nov. 29 - 2020

Dean Kuns

Ran Peterson well due to high water usage.

Dec. 7 - 2020

Carl McKenney & Dean Kuns

Filled in some trench on the Price Line.

Dec. 11 - 2020

Dean Kuns

Ran Peterson well due to high water usage.

Dec. 14 -2020

Jerry Bucheit & Dean Kuns

Went to El Centro to drop off golf cart tires & fill fuel cans for CCWD.

Dec. 18 - 2020

Dean Kuns

Ran Peterson well due to high water usage.

Dec. 19 - 2020

Dean Kuns

Went to El Centro to pick up the golf cart tire.

Dec. 20 - 2020

Dean Kuns

Ran Peterson well long enough to bring the round tank to 12'

Dec. 26 -2020

Dean Kuns

Replaced tires on the golf cart.

Dec. 30 - 2020

Dean Kuns

Started taking meter readings. I noticed a wet spot near the blow-off at the corner of Staghorn & Pincushion.

Dec. 31 - 2020

Ann Whitely informed me of a leak on the main water line next to her house.

Jerry Bucheit, Christian & Dean Kuns  
Repaired the leak in 1 hour.

Dec. 31 - 2020  
Jerry Bucheit, Donna Cioffi & Dean Kuns  
finished reading meters.

Jan. 2 - 2021  
Jerry Bucheit, Ron Akey, Frank Colver & Dean Kuns  
dug up the blow-off at Staghorn & Pincushion.

Jan. 3 - 2021  
Jerry Bucheit, Ron Akey, Frank Colver  
Repaired the leak. Some residents experienced a drop in water pressure while we blew  
the air out of the line. It returned when the air was gone.

Jan. 3 - 2021  
Dean Kuns  
Switched to block tank.

Jan. 5 - 2021  
Frank Colver & Dean Kuns  
Filled in the hole at Staghorn & Pincushion.
