Subject	Cost to restore water service to address: 410 Canyon Rd. Julian, CA 92036
Message	<p>Good morning, I hope this message find you well. My agent and I have been in contact with the owner for this property and the owner has stated the new owner would need to pay Canebrake Water to turn the water back on. I am interested in the property and will be touring it this afternoon. I was wondering if you could give me a quote on the cost of reconnecting the water to this address? Any other information you wish to provide would be greatly appreciated. Thank you for your time and energy!</p>
