

Canebrake Customers:

Two vacant seats are open for the Board of Directors, Canebrake County Water District. Mr. Mark Robinson, who was appointed in April 2020 to fill a vacancy on the board, has informed me that he will not seek re-election at the end of his term. This leaves seat #2 open for the coming term (4 years) 2022-2026.

Seat #4 which has been vacant for two years is open for a 2-year term 2020- 2024. Therefore, two of the required five seats on the Board will be vacant.

As President I am obligated to inform our community of the seriousness of having two vacant seats which indicates our inability to comply with our own By-Laws, Article 3 Section 1. If this issue is not addressed, it will draw the attention of the San Diego County Registrar of Voters and the San Diego County Board of Supervisors, possibly bringing an inquiry as to how we conduct our business.

I am therefore asking that anyone in our community who may consider running for Canebrake County Water District Board of Directors please contact me ASAP, as the last date to register to run for office with the Registrar of Voters is August 14th.

I will gladly answer any questions to assist in your decision to join CCWD.

Jerry Bucheit President CCWD
