

Notice From Canebrake County Water District:

The Board of Directors passed a motion to dispose of the district's unwanted PVC & METAL PIPE. It was decided to put the items up for bid to our customers. If you wish to purchase all or any of the items, please contact Jerry Bucheit at bucheitjerry@gmail.com

40 - (2") PVC
Length from mostly (25') with a
few (2' & 3') Lengths

12 - (2") METAL
Length (11')
Above items are at Community Center behind Quonset huts

40 - (1") PVC
Length 20'
This pipe is behind fenced area
Mooney Well

NOTE
The 500 ft of copper wire from Mooney well will be recycled.

We are giving three weeks bidding time "from posting" so that those individuals arriving in Canebrake will have the opportunity to view the items. Bids will be posted at the end of each week.

Jerry Bucheit, President
Canebrake County Water District
